TTravelPass Objectives

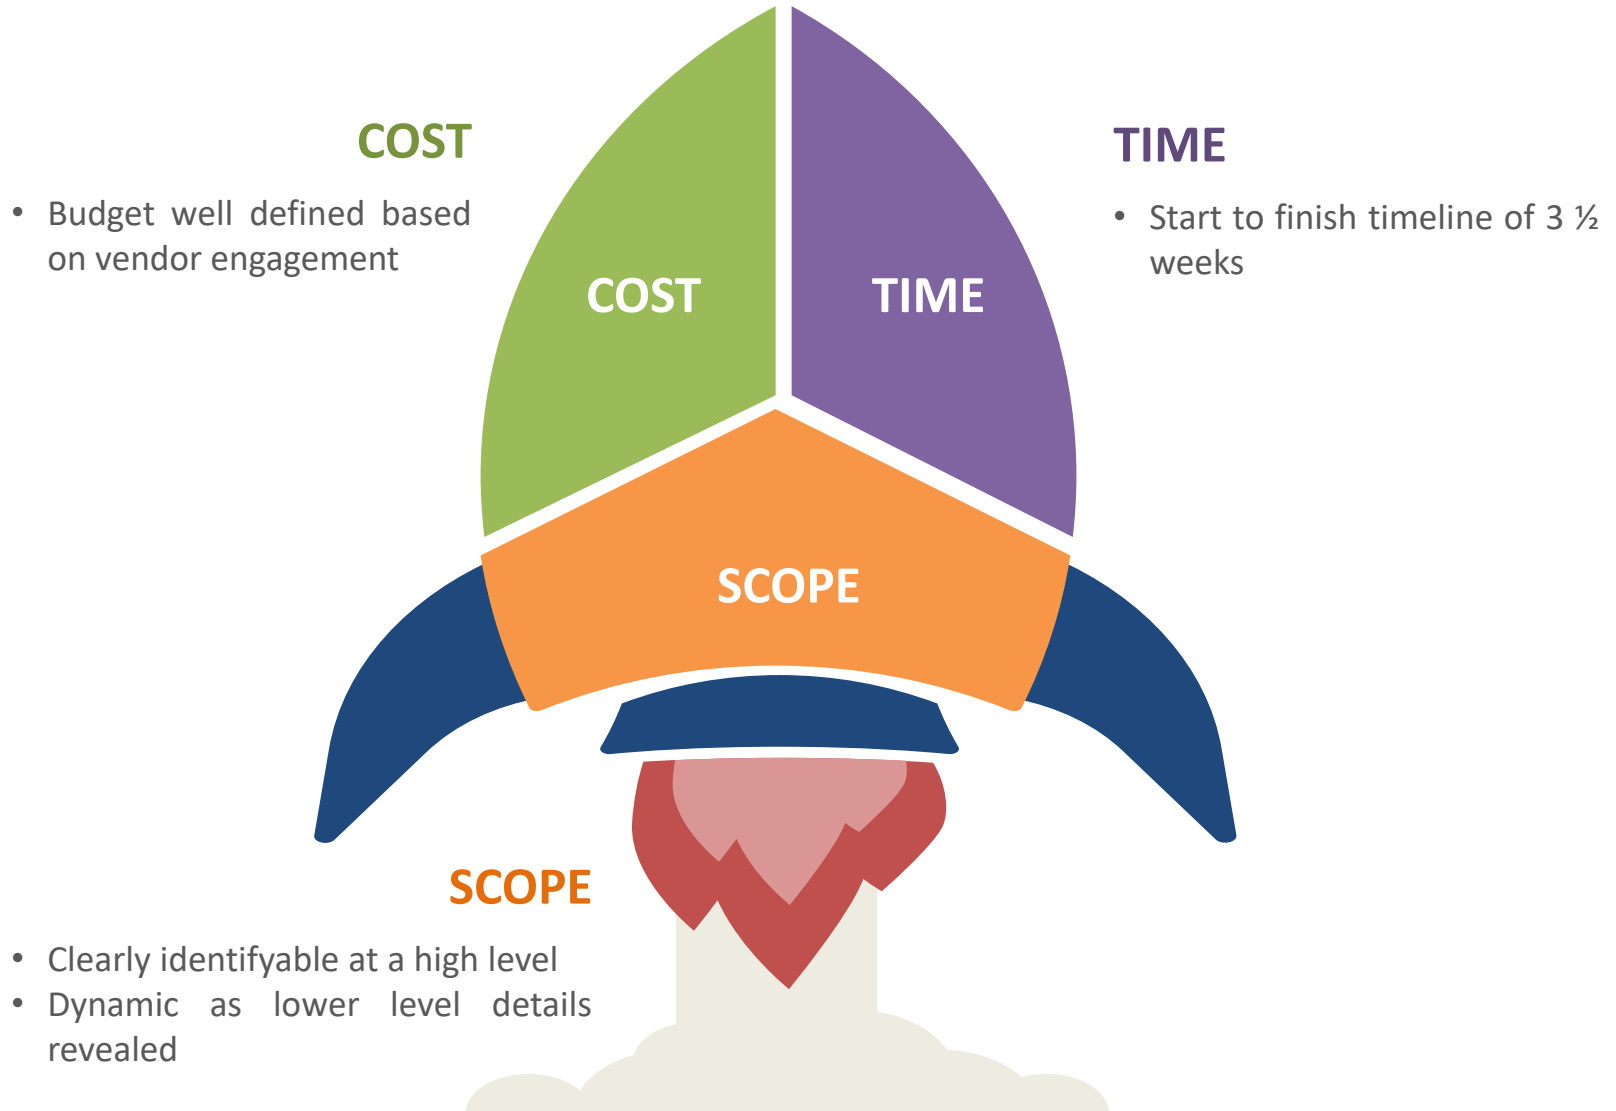

- Manage incoming travelers while maintaining the observation of the local health ordinance for Covid-19
- Provide an electronic window for ease of access and application for any international traveler
- Portal must be expandable
 - Phase I – Air bridge via Caribbean Airlines
 - Expansion to Sea Ports and other airlines

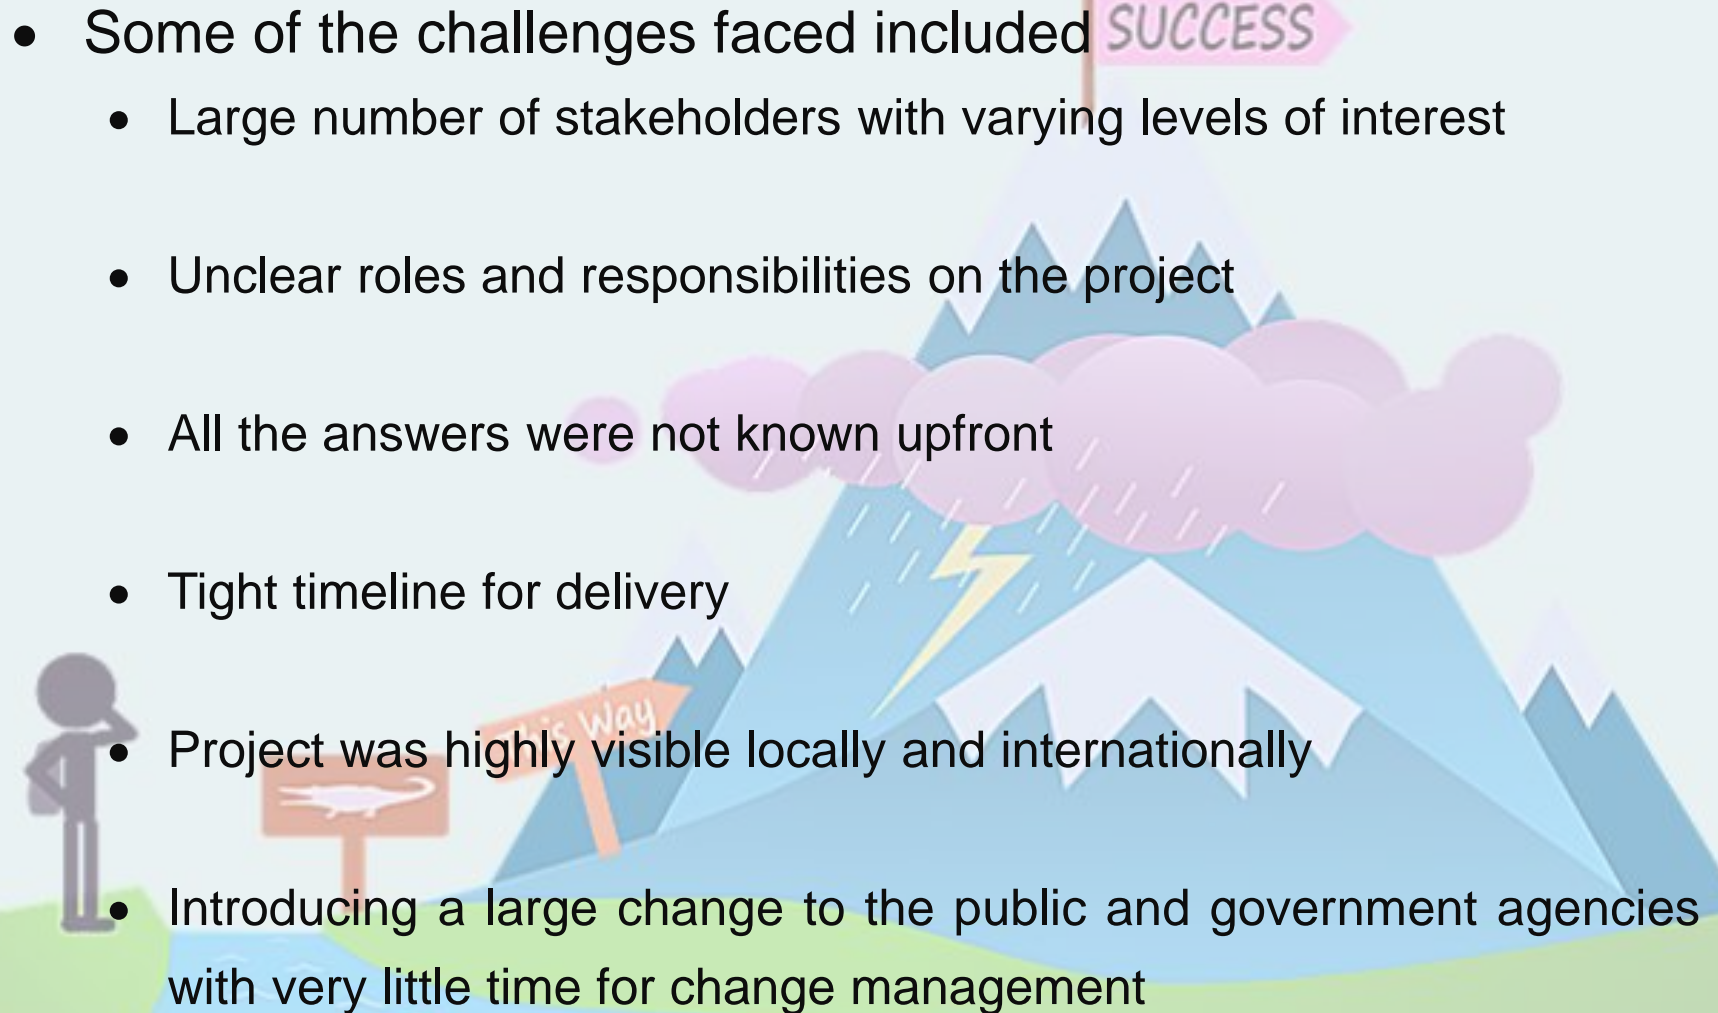

TTravelPass Objectives

- Shared platform to all key stakeholders
 - Ministry of Health – Port Health
 - Ministry of National Security – Immigration
 - Ministry of Works and Transport – Airport Authority, Ports
 - Airlines
 - Hoteliers
- Automated approvals
- Easy reporting and traveler management

- Some of the challenges faced included 
 - Large number of stakeholders with varying levels of interest
 - Unclear roles and responsibilities on the project
 - All the answers were not known upfront
 - Tight timeline for delivery
 - Project was highly visible locally and internationally
 - Introducing a large change to the public and government agencies with very little time for change management
- 

Addressing the Challenges

- Strong Project Management Methodology utilized

- Regular touchpoints with key stakeholders

- Constant refinement of roles and responsibilities with clear demarcs in the TTravelPass process

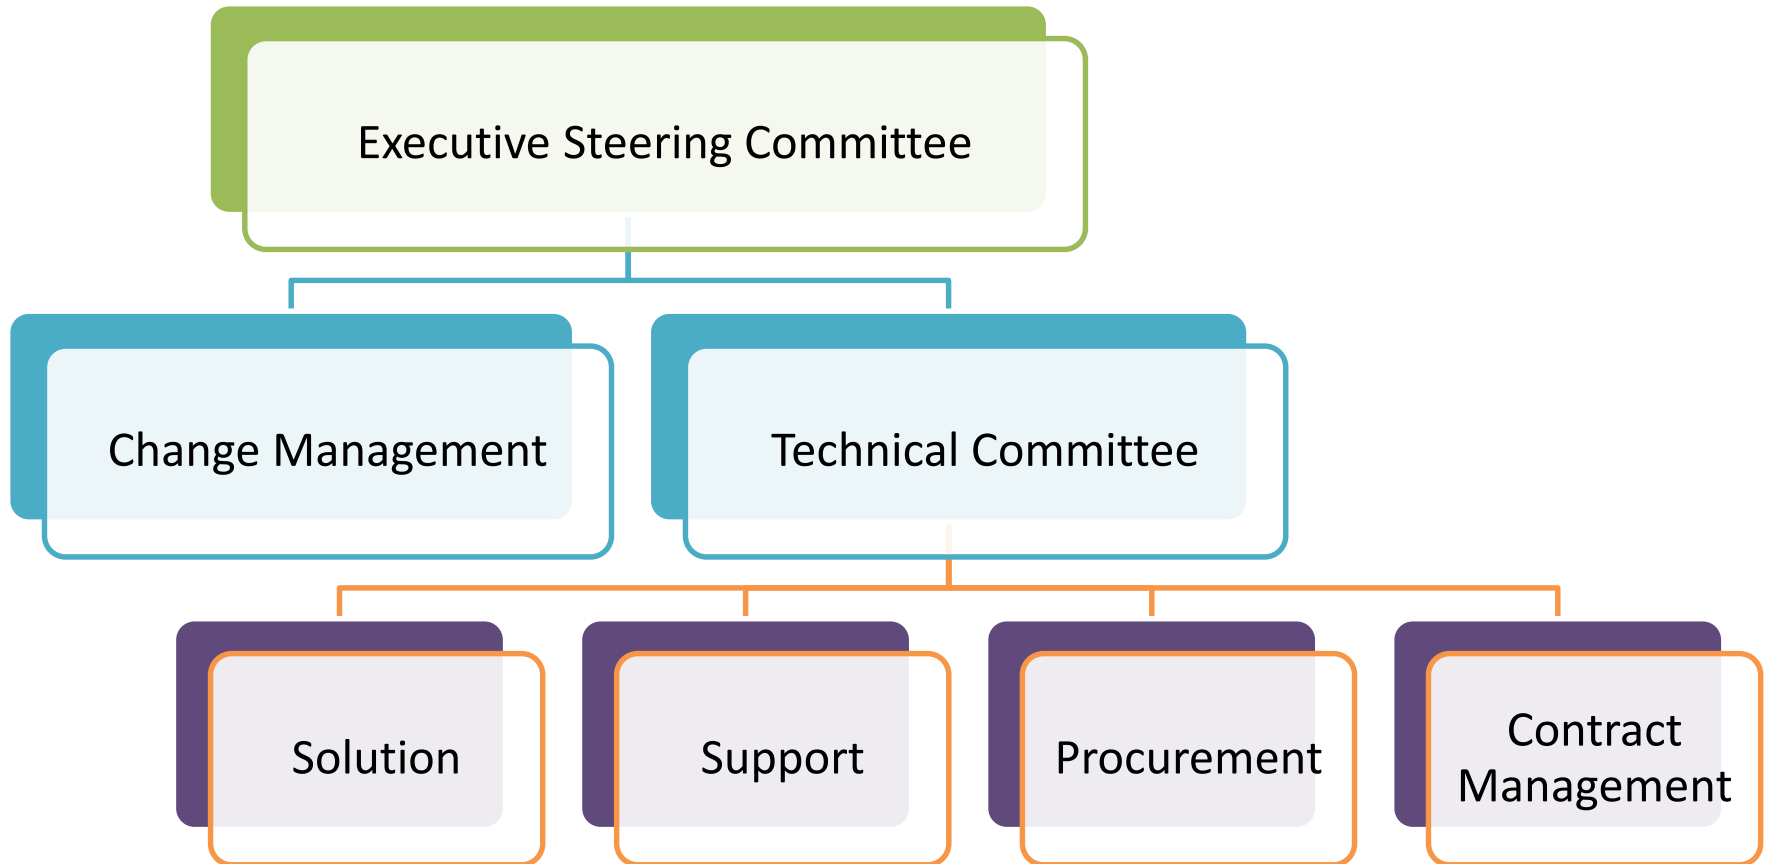

- Regular Status Reports and escalations

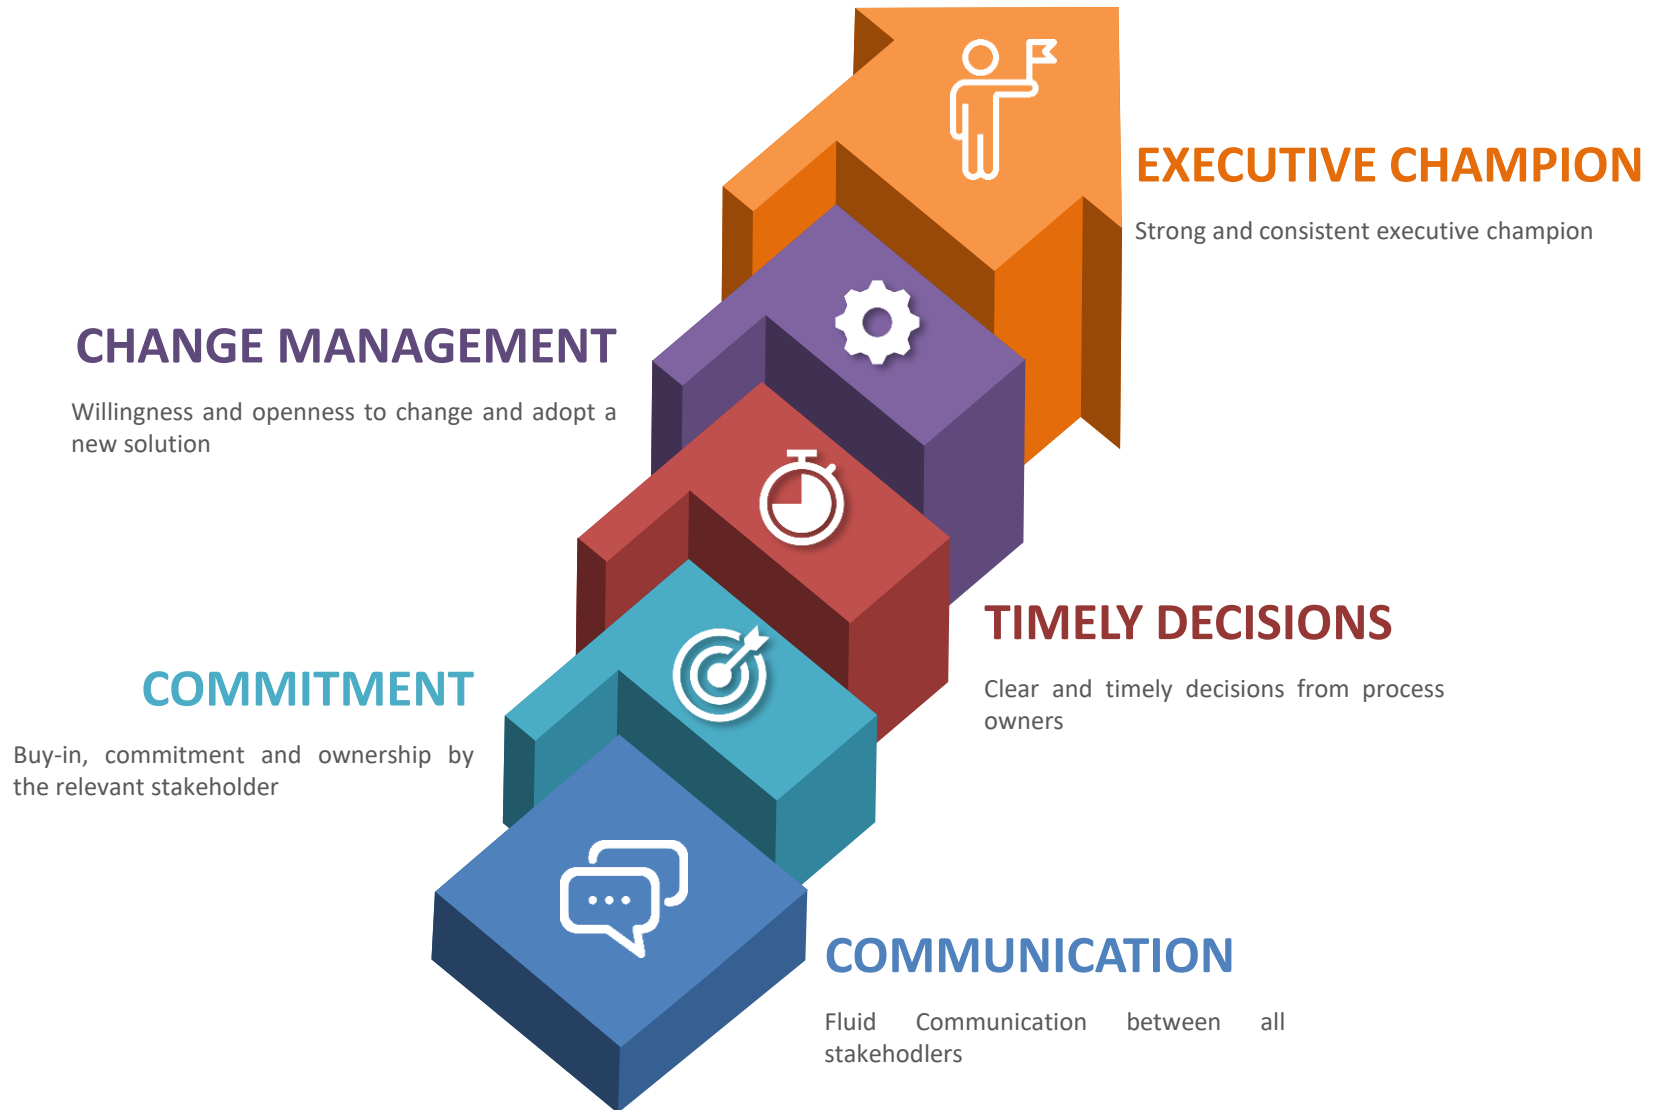

- Informal updates via telephone and Whatsapp became critical

CONSENT, CONFIRMATION OF UNDERSTANDING AND CONSENT FOR COVID-19 HEALTH SCREENING AND RISK ASSESSMENT REQUIREMENTS

Each section below contains a box which must be ticked to confirm consent, confirmation and understanding of the relevant matter. Failure to tick any box means access to the Republic of Trinidad and Tobago WILL NOT be granted.

This condition applies to the adult completing the form on their own behalf and on behalf of a minor under their care.

ON ARRIVAL IN TRINIDAD AND TOBAGO:

- I UNDERSTAND that on arrival in the Republic of Trinidad and Tobago, I will be required to undergo a screening assessment at the port of entry, by a Health Officer designated by the Chief Medical Officer of Trinidad and Tobago. I GIVE MY IRREVOCABLE CONSENT FOR THIS.
- I ALSO UNDERSTAND that the screening assessment will include checking my temperature, validation of my PCR results and vaccination certificate if applicable and an interview by a Health Officer. I GIVE MY IRREVOCABLE CONSENT FOR THIS.
- I UNDERSTAND (and I GIVE MY IRREVOCABLE CONSENT THAT):
 - if not fully vaccinated:
 - I will be subject to specific protocols at the airport on my arrival as determined by the Chief Medical Officer that will prohibit me from all duty-free shopping.
 - I will be placed at an approved state-supervised quarantine facility at my expense, for a minimum period of 14 days from the date of arrival;
 - I will be required to undergo a further PCR Test on Day 7 of the quarantine period. If this test is negative, I will still be required to complete my 14 day quarantine at the state supervised quarantine facility.
 - If I test positive at the state supervised quarantine facility, I will be isolated and treated at a facility as determined by the Chief Medical Officer or his
