ABOUT CANTO

Welcome to the reimagined world of **CANTO**, where we transcend being a non-profit association to become a thriving community of **ICT pioneers** united in the pursuit of transformative connectivity. Our vision focuses on the heart of the Caribbean, addressing **global ICT challenges** through the lens of our vibrant region.

Guided by an innovative board of directors chosen by our members, we strategically lead from our permanent Secretariat in Trinidad and Tobago, crafting policies that shape the digital future. Together, through collective contributions and revenue-generating projects, we fuel initiatives that drive progress. **CANTO** is not just an association; it's a collaborative force with a dynamic General Assembly, a visionary Board of Directors, and an agile Secretariat.

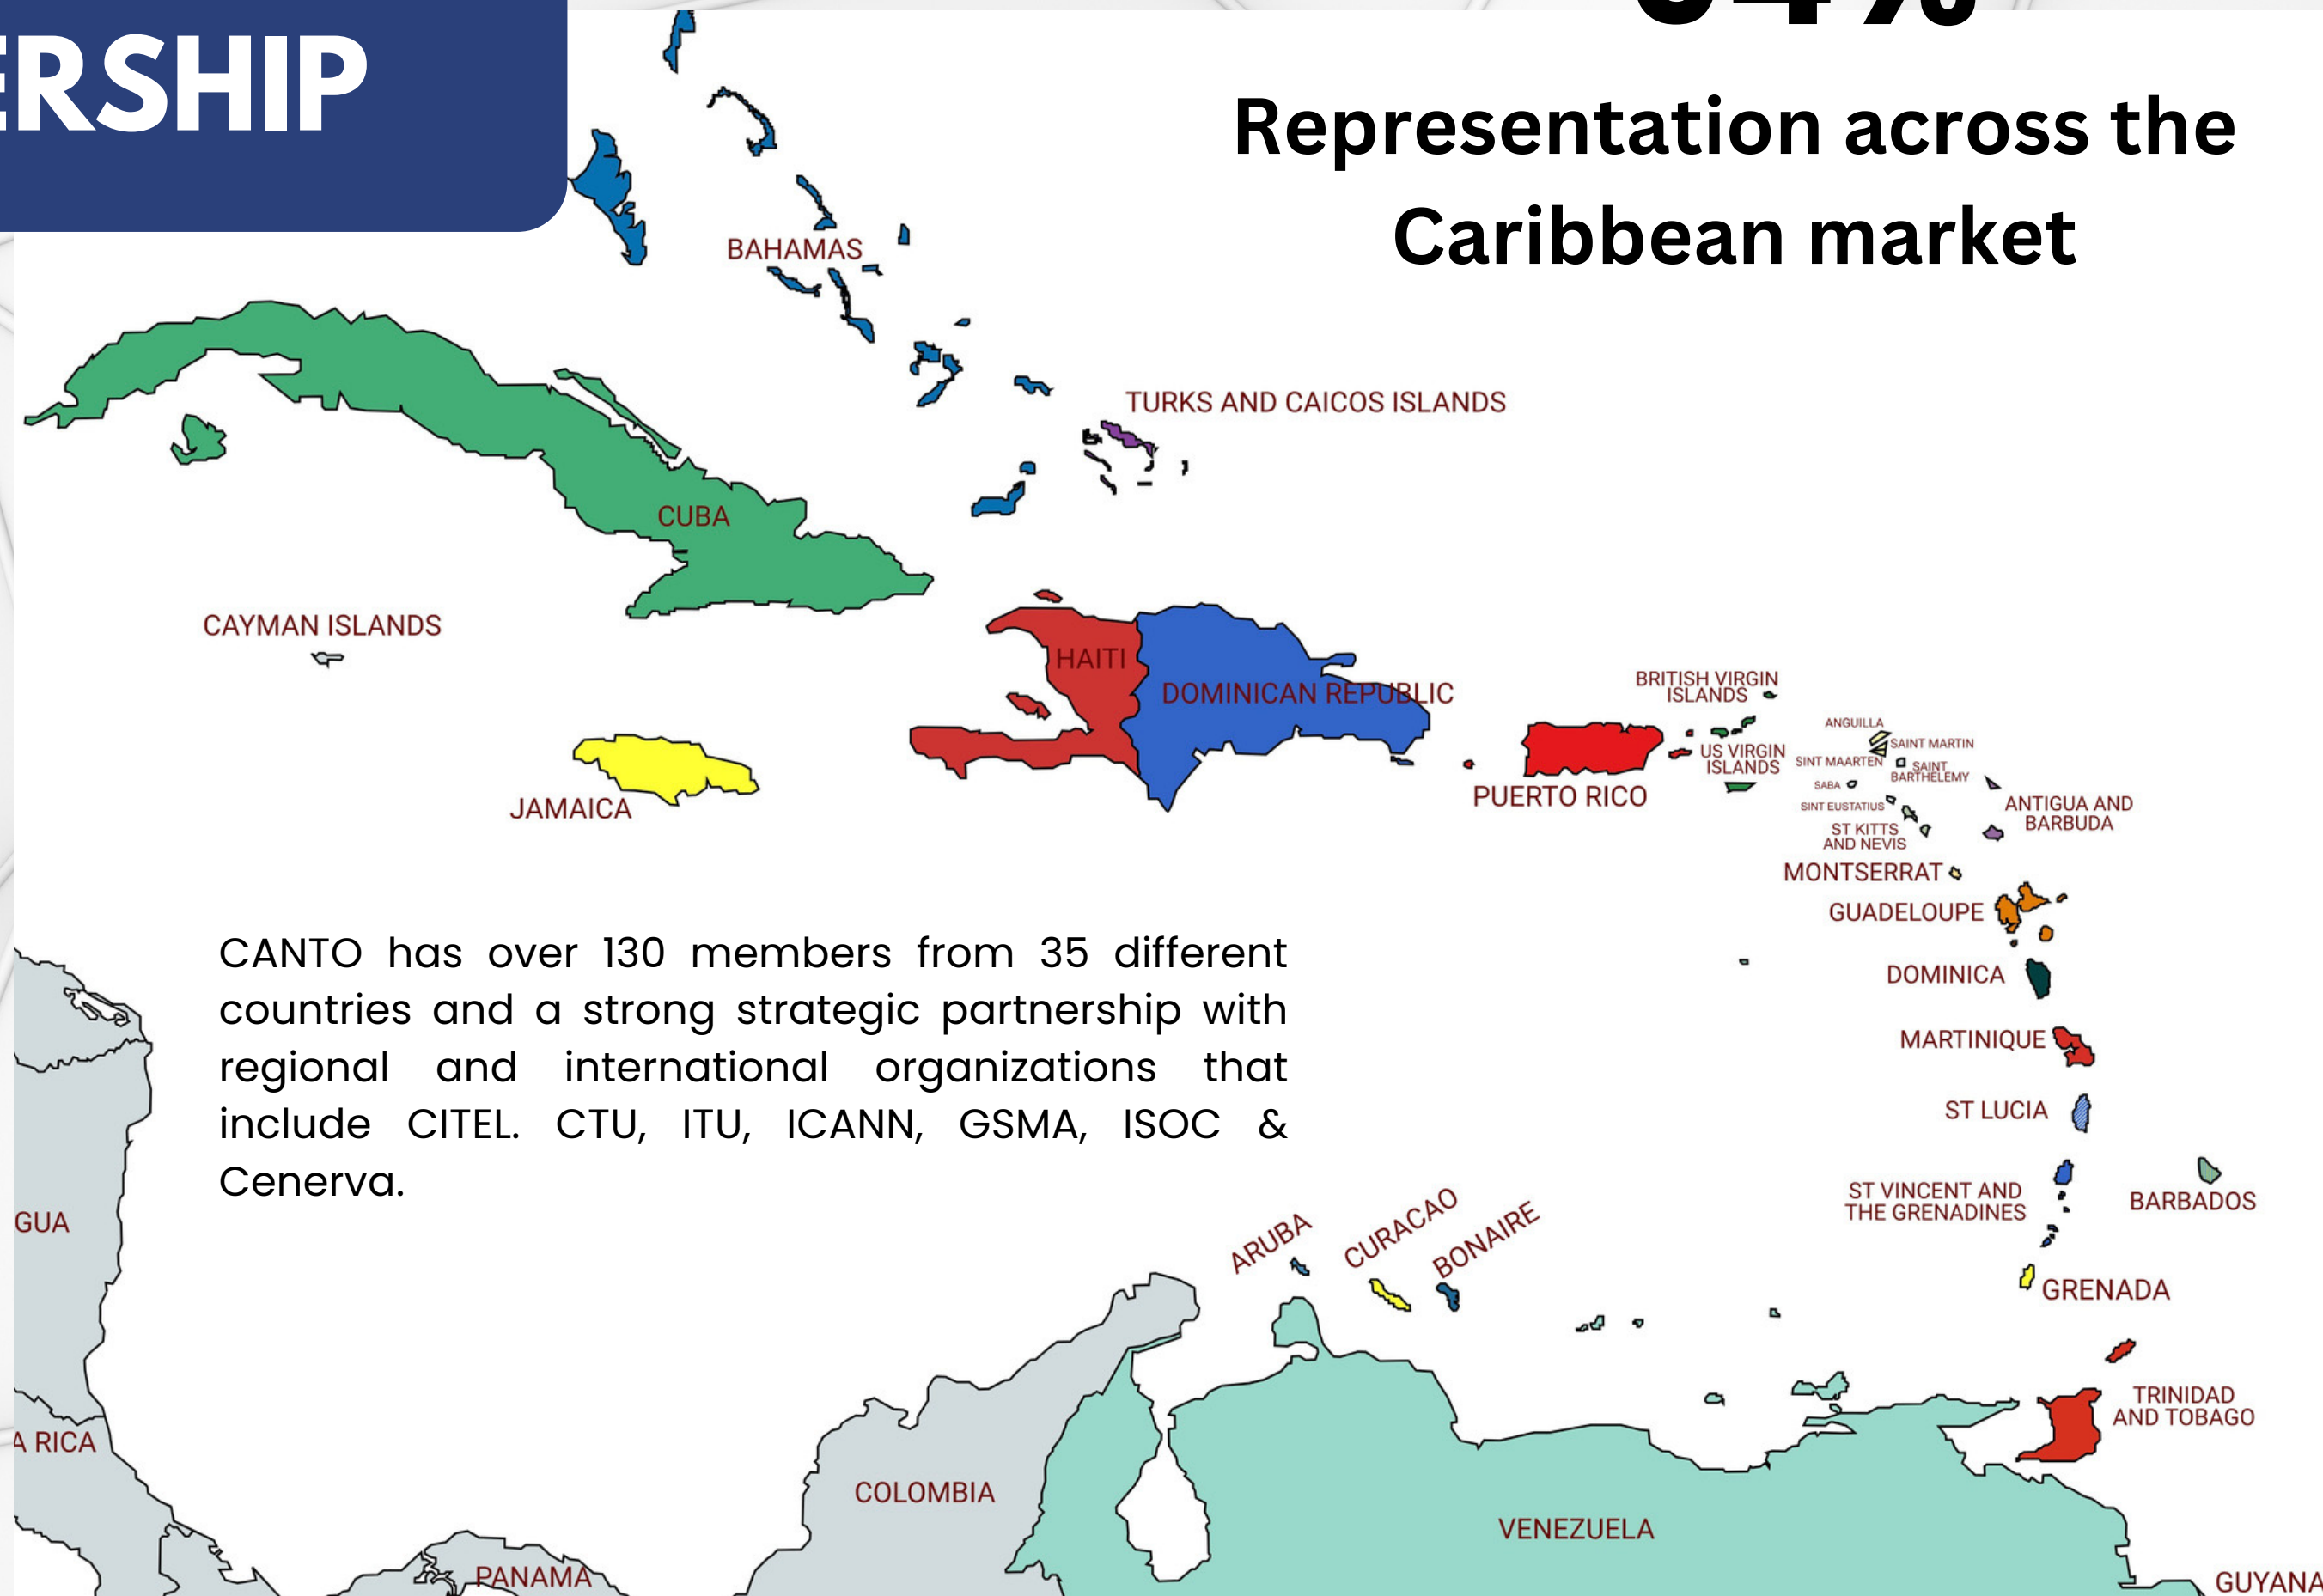

Join us in shaping a future defined by innovation, collaboration, and unparalleled connectivity. Together, let's embark on a journey where **CANTO** is not just a name but a symbol of positive change and technological advancement.

WHY ATTEND CANTO 2024?

1

INSIGHTS & CONTENT

In the dynamic tech field, upskilling is vital. CANTO features industry leaders to inspire and empower with insights on trends, innovations, and strategies for staying ahead.

2

COMMUNITY & NETWORKING

CANTO events gather Caribbean telecom stakeholders, including ministers, regulators, operators and vendors, fostering dialogue, connections, and vibrant Caribbean energy for an immersive experience.

3

EXHIBITION & LEAD GENERATION

CANTO events offer a prime exhibition platform for industry professionals, fostering meaningful interactions and lead generation opportunities in the dynamic telecom and tech landscape.

4

ENTERTAINMENT

Experience the Caribbean at CANTO events, offering dynamic discussions on sustainability and digitization alongside vibrant music, cuisine and hospitality. An unforgettable fusion of insight and entertainment awaits.

CANTO 2023 ATTENDEES: BY REGION

CANTO 2023 ATTENDEES: BY INDUSTRY

40.5% OPERATORS

Telecom operators are the backbone of connectivity, managing mobile, landline, and internet services. Beyond mere calls and texts, they're the architects of digital experiences, ensuring seamless streaming, rapid uploads, and even delivering your favorite internet memes.

23.2% ICT PROFESSIONALS

Information Communication Technology professionals are the maestros of the digital landscape, adept at crafting, troubleshooting, and innovating across websites, apps, and networks. They navigate the complexities of the digital realm to shape tomorrow's technological advancements.

16% EQUIPMENT MANUFACTURERS & SUPPLIERS

These entities are the backbone of telecom hardware, supplying and crafting the equipment essential for seamless communication.

14.7% REGULATORS & CONSULTANTS

This group comprises individuals who steer regulatory frameworks, ensuring compliance and fostering innovation within the telecommunications sector through expert guidance and consultation.

2.8% MEDIA & BROADCASTING

Personnel in media and broadcasting, spanning radio, television, and print, serve as conduits for information dissemination and storytelling, shaping public discourse and cultural narratives.

2.8% OTHER SECTORS

Industries such as Financial, Oil and Gas, electrical, and education recognize the pivotal role of telecommunication infrastructure. Understanding its significance, they integrate and rely upon the telecommunications grid to drive efficiency and innovation within their respective domains.
