# WHY ATTEND CTU ICT WEEK 2024 – ST. KITTS AND NEVIS

## Emerging technology trends

Opportunity to learn about the latest trends and emerging technologies in the ICT sector. From discussions on 6G advancements to the role of AI and cloud computing in transforming industries.

## Contribute to Policy Discussions Shaping the Future of Caribbean ICT

Participate in high-level conversations on data privacy, cybersecurity and climate resilience.

## Meet ICT Ministers

The event will bring together in one place ICT and Telecommunications Ministers, and other Ministers of Government from across the region.

## Network with Regional and International ICT Industry Experts

The event brings together key stakeholders from across the Caribbean and global ICT industry experts.
