ARIN

American Registry for Internet Numbers

ARIN Update:

CTU's 3rd International ICT Forecast and Industry Watch

Nate Davis, Senior Government Affairs Analyst

Agenda

- ARIN Fellowship Program
- ARIN Community Grant Program
- ARIN 56 Public Policy and Members Meeting
- ARIN Diplomatic Forum

ARIN Fellowship Program

The program takes place twice a year - before, during and after an ARIN Public Policy and Members Meeting.

Receive an in-depth introduction to ARIN and the Policy Development Process (PDP), in addition to mentorship from a member of the ARIN community.

Applicants selected by a committee to attend an upcoming ARIN meeting either virtually or in person.

FELLOWSHIP PROGRAM
American Registry for Internet Numbers

What is this fellowship program?

An interactive learning opportunity for individuals interested in learning more about Internet number resource policy development and Internet governance.

7

Learn more and apply at:
www.arin.net/beafellow

Applications open in early July

ARIN Community Grant Program

The ARIN Community Grant Program launched in 2019 to support of initiatives that improve the overall Internet industry and user environment

Since then, **23 projects** have been funded at US$270,975

ARIN Community Grant Program

Do you have a goal or project in mind that aligns with ARIN's mission and strategic goals?

www.arin.net/grants

Projects must fit into **one or more** of the following categories:

- Internet technical improvements
- Registry processes and technology improvements
- Informational outreach
- Research

Have a Project in Mind?

ARIN Community Grant Program

Applications are open until 18 June 2025

ARIN 56

POWERED BY PARTICIPATION

30-31 October 2025 Arlington, Texas

- Registration will open in August
- In-person and virtual participation
- Participation is free, registration is required

ARIN 56

POWERED BY PARTICIPATION

Why Participate?

Policy Discussions – Broad ARIN region participation is key!

Reports from the ARIN Board of Trustees

Internet community updates, including reports from ARIN, the Number Resource Organization (NRO), and others.

Information about the 2025 ARIN Elections, including speeches from candidates running for the Board of Trustees, Advisory Council, and the NRO Number Council

12 November 2025
Washington, D.C.

- **Forum for senior diplomats, technologists, and policymakers** from the ARIN service region (and around the world) to exchange insights, coordinate strategies, and build mutual understanding of the challenges and opportunities of the evolving digital landscape

- Helping to build a unique bridge between foreign affairs and digital affairs, recognizing that in today's world, they are one and the same
