

CTU-ICT Week 2026 French Guiana

22 September 2026

Caribbean Cybersecurity Incident Response Community project (C-CIRC)

Cédric Pradel, Executive Director ACCYB

&

Shernon Osepa, Consultant Strategic Advisor CTU

The Caribbean Cyber Incidents Reality

- ✓ **Cyber incidents are growing faster in LAC, 25% annual growth rate - *Worldbank***
- ✓ **Jamaica recorded approx. 4 million attempted cyberattacks in just the first half of 2024**
- ✓ **Across LAC, researchers recorded 452 ransomware incidents in 2025**
- ✓ **In Costa Rica, a single ransomware attack against government institutions caused losses equivalent to 2.4% of the country's annual GDP - *Worldbank***

Caricom Cybersecurity and Cybercrime Action Plan (CCSCAP)

1

Public Awareness,
Education and Advocacy

2

Capability Development
and Capacity Building

3

Enhancing and Harmonizing
Technical Standards
and Infrastructure

4

Policy, Institutional and
Regulatory Framework

5

Regional and
International Cooperation

6

Incident
Management

6 = NEW!

C-CIRC Addressing Thematic Area 6!

- Capacity Building
- CSIRTs
- Partnership

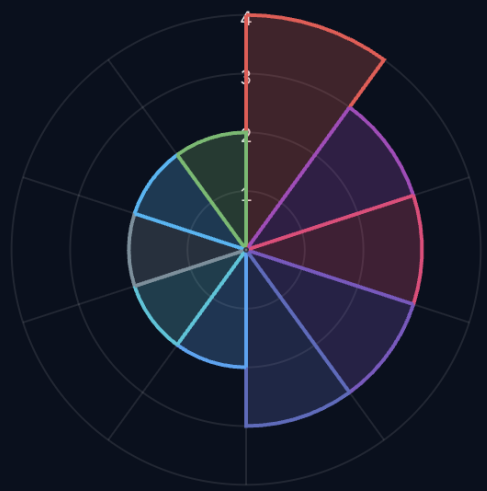

A GROWING THREAT

Targeted Organization ↑ 38 (24 hours) threat Actors → 0 (24 hours) TTPs → 0 (24 hours)

CARIBBEAN CYBERSECURITY INCIDENT RESPONSE COMMUNITY FORUM

Mission 1 — Uniting the Region's Cyber Defenses

Building a shared incident-response community, a pooled CSIRT-Atlantic, and a governance model backed by the CTU.

Mission 2 — Fortifying the Territories

Sovereign tools, hands-on training, and hardened critical infrastructure across the region.

Mission 2 — Fortifying the Territories

Charting the ecosystem, aligning standards, and driving a 2026-2028 roadmap for the region

Launch C-CIRC @ Cyberweek St. Martin

Oct. 20
(Tuesday)

Saint-Martin

- C-CIRC Forum
- Digital Forensic training

Oct. 21
(Wednesday)

Saint-Martin

- C-CIRC Forum
- Digital Forensic training

Oct. 22
(Thursday)

Saint-Barthélemy

- C-CIRC Forum
- Digital Forensic training

C-CIRC Pre-registration

Requesting Your Collaboration

- Join the CSIRTs community
 - Mailing list
 - WhatsApp/Signal Group
- Identify "first" CSIRT
- Launch: October 2026 @ Cyberweek Saint Martin
- All stakeholders engaged

Thank You!

Cédric Pradel
