

ARIN Update: CTU's 1st International ICT Forecast and Industry Watch

Nate Davis, Senior Government Affairs Analyst

ARIN Fellowship Program

The program takes place twice a year - before, during and after an ARIN Public Policy and Members Meeting.

Receive an in-depth introduction to ARIN and the Policy Development Process (PDP), in addition to mentorship from a member of the ARIN community.

Applicants selected by a committee to attend an upcoming ARIN meeting either virtually or in person.

What is this fellowship program?

An interactive learning opportunity for individuals interested in learning more about Internet number resource policy development and Internet governance.
