**Do you have a project in mind
and are looking for funding?**

Apply for an ARIN Community Grant!

Launched in 2019 to support of initiatives that improve the overall Internet industry and user environment.

Projects must fit into **one or more** of the following categories:

- Internet technical improvements
- Registry processes and technology improvements
- Informational outreach
- Research

Applications are open 16 April-14 June
The call for the Grant Selection Committee is open soon!
